**DECLARATION  
OF PROTECTIVE COVENANTS  
FOR  
LAURENWOOD PRESERVE SUBDIVISION  
Formerly known as Legendwood Preserve**

**THIS DECLARATION** is made on the date hereinafter set forth by Tony Pollard Builders, Inc., an Alabama corporation (hereinafter sometimes called "Declarant").

**BACKGROUND  
STATEMENT**

Declarant is the owner of the real property described in Article II, Section 1, of this Declaration.

Declarant desires to subject the real property described in Article II, Section 1, hereof to the provisions of this Declaration to create a residential community and to provide the mechanism for the subjecting of other real property to the provisions of this Declaration.

Declarant intends by this Declaration to impose mutually beneficial restrictions under a general plan of improvement for the benefit of all owners of property subject to, or hereinafter subject to these protective covenants. Declarant desires to establish a method for the maintenance, preservation, use, and enjoyment of the property that is now or hereafter subjected to this Declaration.

Declarant hereby declares that the real property described in Article II, Section 1, of this Declaration, including the improvements constructed or to be constructed thereon, is hereby subjected to the provisions of this Declaration and shall be held, sold, transferred, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to the covenants, conditions, restrictions, easements, assessments, and liens, hereinafter set forth, which are for the purpose of protecting the value and desirability of, and which shall run with the title to, the real property hereby or hereafter made subject hereto, and shall be binding on all persons having any right, title, or interest in all or any portion of the real property now or hereafter made subject hereto, their respective heirs, legal representatives, successors, successors-in-title, and assigns and shall inure to the benefit of each and every owner and occupant of all or any portion thereof.

**ARTICLE I  
Definitions**

Unless the context shall prohibit, certain words used in this Declaration shall have the definition meaning set forth in Exhibit "A", attached hereto and by reference made a part hereof.

## **ARTICLE II**

### **Property Subject to This Declaration**

**Section 1. Property Hereby Subjected To This Declaration.** The real property which is, by the recording of this Declaration, subject to the covenants and restrictions hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to this Declaration is the real property described in Exhibit "B", attached hereto and by reference made a part hereof.

**Section 2. Other Property.** Only real property described in Section 1 of this Article II is hereby made subject to this Declaration; provided, however, by one (1) or more Supplementary Declarations, Declarant has the right, but not the obligation, to subject real property to this Declaration, as hereinafter provided in Article IX.

## **ARTICLE III**

### **Association Membership and Voting Rights**

**Section 1. Membership.** Every Owner shall be deemed to have a membership in the Association. Membership shall be appurtenant to and may not be separated from ownership.

**Section 2. Voting.** Owners shall be entitled to one (1) vote for each Residence owned. When more than one (1) Person holds an ownership interest in any Residence, the vote for such Residence shall be exercised as those Owners themselves determine. In the event of a dispute, the vote shall be suspended if more than one (1) Person seeks to exercise it. Those Owners of property, if any, which is exempt from assessments as provided in Article IV, Section 11, hereof are Members of the Association and are subject to the provisions of this Declaration, but are not Owners of Residences and shall not, therefore, be entitled to vote.

Any Owner of a Residence not occupied by the Owner may, in the lease or other written instrument, assign the Owner's voting right appurtenant to that Residence to the Occupant, provided that a copy of such instrument is furnished to the Secretary within the time period prescribed by the Secretary. In the event of such assignment, the Occupant may vote the Owner's vote on all issues upon which the Owner would be entitled to vote.

An Owner's right to vote may be suspended as provided in Article XI, Section 2, of this Declaration.

## **ARTICLE IV**

### **Assessments**

**Section 1. Purpose of Assessment.** The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefits, and

enjoyment of the Owners and Occupants in the Community, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

**Section 2. Type of Assessments.** Each Owner of any Residence, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) General Assessments; (b) Special assessments, such assessments to be established and collected as hereinafter provided in Article IV, Section 10; and (c) Specific assessments against any particular Residence which are established pursuant to the terms of this Declaration, including, but not limited to, those assessments established by Article IV, Section 10, and Article V, Section 2, hereof and reasonable fines as may be imposed in accordance with the terms of the Declaration and By-Laws. General Assessments shall be levied for Association Expenses determined by the Board to benefit all Owners and Occupants. General Assessments shall be allocated among all Residences in the Community.

**Section 3. Creation of Lien and Personal Obligation for Assessments.** All assessments, together with late charges, interest at a rate equal to the lesser of fifteen (15%) percent or the maximum lawful rate, costs, and reasonable attorney's fees actually incurred shall be a charge on the land and shall be a continuing lien upon the Residence against which each assessment is made. Each such assessment, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, shall also be the personal obligations of the Person who was the Owner of such Residence at the time the assessment fell due. Each such Owner shall be personally liable for his or her portion of each assessment coming due while he or she is the Owner of a Residence, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgage holder taking title through foreclosure proceedings or deed in lieu of foreclosure.

General Assessments and other assessments, unless otherwise provided by the Board, shall be paid in annual, semi-annual, or quarterly installments as the Board determines.

**Section 4. Budget.** It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve.

The Board Shall cause the assessments, based upon the Budget, to be levied against each lot for the following year to be delivered to each Owner at least thirty (30) days prior to the end of the current fiscal year. The Board may not, without the consent of Declarant (so long as Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof) and the vote or written assent of at least a Majority of the total Association vote entitled to vote thereon, impose a General Assessment per Residence which is more than one hundred twenty (120%) percent of the General Assessment for the immediately preceding fiscal year. In the event that the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein, the budget in effect for the

current year shall continue for the succeeding year. The initial general assessment shall be \$350.00 (three hundred fifty and no/100 dollars) per year and shall be paid in advance on or before September 1, 2006.

**Section 5. Special Assessments.** In addition to the other assessments authorized herein, the Board may levy special assessments in any year. So long as the total amount of special assessments allocable to each Residence does not exceed the amount of the current General Assessment in any one (1) fiscal year, the Board may impose the special assessment. Any special assessment which would cause the amount of special assessments allocable to any Residence to exceed this limitation shall be effective only if approved by a majority of the total Association vote entitled to vote thereon and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof, the consent of Declarant. Special assessments shall be paid as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

**Section 6. Lien for Assessments.** All sums assessed against any property subject to this Declaration pursuant to this Declaration, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, as provided herein, shall be secured by a lien on such property in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such property, except for (a) liens of ad valorem taxes; and (b) liens for all sums unpaid on a first Mortgage.

All other Persons acquiring liens or encumbrances on any property subject to this Declaration after this Declaration shall have been recorded in the records of the Office of the Judge of Probate, Madison County, Alabama shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

**Section 7. Effect of Nonpayment of Assessments; Remedies of the Association.** Any assessments which are not paid in full by the date specified by the Board, ("due date"), shall be delinquent. Any assessment delinquent shall incur a late charge of five and no/100 (\$5.00) dollars, per day, or in such amount as the Board may from time to time determine. If the assessment is not paid when due, a lien, as herein provided, shall attach and, in addition, the lien shall include the late charge, interest on the principal amount due, and all late charges from the date first due and payable, all costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after ninety (90) days, the Association may, as the Board shall determine, institute suit to collect such amounts and to foreclose its lien. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association and its agents the right and power to bring all actions against him or her, personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting through the Board and on behalf of the Owners, shall have the power to bid at any foreclosure sale or to acquire, hold, lease, mortgage, or convey foreclosed property. No Owner may waive or

otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration, but not limitation, by non-use of Common Property, or abandonment of the Residence. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner.

All payments shall be applied first to costs and attorney's fees, then to late charges, then to interest and then to delinquent assessments.

**Section 8. Date of Commencement of Assessments.** An Owner shall become subject to assessment hereunder at the time of purchase of a lot in Laurenwood Preserve Subdivision and as set forth in Article IV, Section 2. The first General Assessment shall be adjusted according to the number of months remaining in the calendar year during which the Owner became subject to assessment. Notwithstanding the foregoing, the Declarant and any lots owned by Declarant shall be exempt from the payment of any assessments due hereunder until title to the subject vacant lot has been sold and conveyed and transferred to a third party.

**Section 9. Loans from Declarant.** The Declarant may, but shall in no way be required, loan money to the Association and/or advance funds to pay for insurance premiums, taxes, maintenance, and other expenses of the Association. The Association shall account for such loans/advances on an annual basis. At that time, the Association's officers shall execute a note in favor of Declarant with interest to accrue at Regions Bank Prime Rate. The principal and interest shall be payable over a five year period commencing once ten Lots have been conveyed by the Declarant.

**Section 10. Specific Assessments.** The Board shall have the power to specifically assess pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. The Board may specifically assess Residences for the following expenses, except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

- (a) Expenses of the Association which benefit less than all of the Residences may be specifically assessed equitably among all of the Residences which are benefited according to the benefit received.
- (b) Expenses of the Association which benefit all Residences, but which do not provide an equal benefit to all Residences, may be specifically assessed equitably among all Residences according to the benefit received.

**Section 11. Exempt Property.** The following property shall be exempt from General Assessments and special and specific assessments:

- (a) all property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets, public parks, roads, rights-of-way, streets and easements; and
- (b) all property owned by non-profit organizations dedicated to land preservation, or conservation, including, but not limited to, organizations such as the Huntsville Land Trust or the Alabama Conservancy, provided, however, the availability of the exemption for such non-profit organizations is contingent upon prior approval by the Board.

**ARTICLE V**  
**Maintenance: Conveyance of Common Property**  
**by Declarant to Association**

**Section 1. Association's Maintenance Responsibility.** The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and improvements situated on the Common Property. In addition, if the following property exists in the Community, the Association may, as determined by the Board, maintain part or all of such property, regardless of whether it is Common Property: Community hiking and biking trails; Community dock areas; grass and other landscaping along dedicated rights-of-way; sedimentation ponds; Community entrance features; and lakes and dams.

The Association shall also have the right, but not the obligation, to maintain and provide services for other property not owned by the Association, whether located within or without the boundaries of the Community, and to enter into leases, easements and covenants and to share costs agreements regarding such property (and any other property) where the Board has determined that this would benefit Owners.

The foregoing maintenance costs shall be assessed as a part of the General Assessment or specific assessments, as determined by the Board in accordance with this Declaration.

The foregoing maintenance shall be performed consistent with the Community-Wide Standard.

**Section 2. Owner's Maintenance Responsibility.** Each Owner shall maintain or cause to be maintained in a safe, clean and attractive condition all property subject to this Declaration which is owned directly or indirectly by such Owner in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance obligation shall include, without limitation, the following: Prompt removal of all litter, trash, refuse, and waste; lawn mowing on a regular basis;

tree and shrub pruning; watering landscaped areas; keeping improvements, exterior lighting, and maintenance facilities in good repair and working order; keeping lawn and garden areas alive, free of weeds, and attractive; keeping driveways in good repair; complying with all governmental health and police requirements; and repair of exterior damages to improvements. Lake Lot Owners shall, in addition, maintain as described above, the property located between the lake elevation and the property line of said Owners.

In the event that the Board determines that (a) any Owner or designee of the Owner, as designee is defined below, has failed or refused to discharge properly his obligations with regard to the maintenance, repair or replacement of items for which he is responsible hereunder; or (b) that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, invitees, or designee then, the Association may perform the repair, replacement or maintenance and shall, except in the event of any emergency situation, give the Owner or designee written notice of the Association's intent to provide such necessary maintenance, repair, or replacement, at the Owner's or the Owner's designee's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner or his designee shall have ten (10) days within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at Owner's sole cost and expense, and all costs shall be treated as a specific assessment against the Owner and the property owned by the Owner.

**Section 3. Party Walls and Party Fences.** Each wall or fence built as a part of the original construction of the Residences which shall serve and separate any two (2) adjoining Residences shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

The cost of reasonable repair and maintenance of a party wall or fence shall be shared by the Owners who make use of the wall or fence in equal proportions.

In the event of any dispute arising concerning a party wall or fence, or under the provisions of this Section, each party shall appoint one (1) arbitrator. Should any party refuse to appoint an arbitrator within ten (10) days after written request therefore by the Board, the Board shall appoint an arbitrator for the refusing party. The arbitrators thus appointed shall appoint one (1) additional arbitrator and the decision by a majority of all three (3) arbitrators shall be binding upon the parties and shall be a condition precedent to any right of legal action that either party may have against the other.

**Section 4. Conveyance of Common Property by Declarant to Association.** The Declarant may transfer or convey to the Association any personal property and any improved or unimproved real property, leasehold, easement, or other property interest which is or may be subjected to the

terms of this Declaration. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association. The Declarant may transfer or convey to the Association any personal property and any improved or unimproved real property, leasehold, easement, or other property interest which is or may be subjected to the terms of this Declaration. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all or a part of its Members. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section. Declarant shall have the right, without limitation, to include Lakes and Dams in the property that may be conveyed by Declarant and which shall be accepted by the Association. The Declarant may place conservation restrictions or easements on Common Property prior to conveying it to the Association, regardless of whether or not the restriction is in place before the recording of a plat referencing "Common Area".

**Section 5. Additional Improvements.** Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section including, without limitation, dredging or otherwise removing silt from any lake that may be conveyed.

## **ARTICLE VI**

### **Use Restrictions and Rules**

**Section 1. General.** This Article, beginning at Section 2, sets out certain use restrictions which must be complied with by all Owners and Occupants. These use restrictions may only be amended in the manner provided in Article XII, Section 4, hereof regarding amendment of this Declaration. In addition, the Board, by a two-thirds (2/3) vote, may, from time to time, without consent of the Members, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. This authority shall include, but shall not be limited to, the right to limit the type and size of vehicles within the Community and to set the maximum and minimum speeds of vehicles on private streets within the Community and to impose all other necessary traffic and parking regulations and to restrict the maximum noise levels of vehicles in the Community. The Board may also restrict certain portions of the recreational facilities administered by the Association to adults only. Such use restrictions and rules shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled, or modified in a regular or special meeting by a Majority of the total Association vote entitled to vote thereon and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof, the consent of Declarant.

**Section 2. Residential Use.** All Residences shall be used for single-family residential purposes exclusively. No business or business activity shall be carried on, in or upon any Residence at any time except with the written approval of the Board. Leasing of a Residence shall not be considered a business or business activity. However, the Board may permit Residence to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or By-Laws, does not create a disturbance. The Board may

issue rules regarding permitted business activities. Residences of more than two stories are prohibited.

**Section 3. Signs.** No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the Architectural Review Committee. Notwithstanding the foregoing, both the Declarant and the Board shall have the right to erect reasonable and appropriate signs, and "For Sale" and "For Rent" signs consistent with the Community-Wide Standard may be erected upon any Residence. The provisions of this Section shall not apply to any Person holding a Mortgage who becomes the Owner of any Residence as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu thereof.

**Section 4. Vehicles and Garages.** The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, trucks, campers, buses, vans, and automobiles. All vehicles shall be parked within garages, driveways, or other Board approved paved parking areas on a Lot. Parking in yards is prohibited.

No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, for a period longer than five (5) days if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five (5) day period, such vehicle shall be considered a nuisance and may be removed from the Community. Any towed vehicle, boat, recreational vehicle, motor home, or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in a garage or other area designated by the Board, for periods longer than twenty-four (24) hours each shall be considered a nuisance and may be removed from the Community. Trucks with mounted campers which are an Owner's or Occupant's primary means of transportation shall not be considered recreational vehicles, provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal.

No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles and vehicles authorized by the Board.

Residences shall contain, as a minimum, a two-car garage; carports shall not be permitted. Front entry garages are prohibited unless the main entry garage is side entry then a single vehicle front entry garage shall be allowed. Garage doors shall be kept closed at all times, except when garage is in use.

**Section 5. Leasing.** Residences may be leased for residential purposes. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, By-Laws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing and shall provide that in the event of noncompliance, the Board, in addition to any other remedies available to it, may evict the tenant on behalf of the Owner and specifically assess all costs associated therewith against the Owner and the Owner's property.

**Section 6. Occupants Bound.** All provisions of the Declaration, By-Laws, and of any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not paid timely, the fine may then be additionally levied against the Owner.

**Section 7. Animals and Pets.** No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Residence, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board; provided, however, those pets which are permitted to roam free, or in the sole discretion of the Board, endanger health, make objectionable noise, (including, but not limited to barking dogs) or constitute a nuisance or inconvenience to the Association members or Occupants or the owner of any property located adjacent to the Community may be removed by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs which are household pets shall at all times whenever they are outside a Residence be on a leash or otherwise confined in a manner acceptable to the Board. Without prejudice to the Board's right to remove any such household pets, no household pet that has caused damage or injury may be walked in the Community. Animal control authorities shall be permitted to enter the Community to patrol and remove pets. Pets shall be registered, licensed and inoculated as required by law.

**Section 8. Nuisance.** It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Residence to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community.

**Section 9. Unsightly or Unkempt Conditions.** The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

**Section 10. Architectural Standards.** No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height,

materials, and location shall have been submitted in writing to and approved by Architectural Review Committee(s) established by the Declarant. A \$75 plan review fee shall be paid to the Declarant, its successors and assigns, which is to be submitted along with the proposed building plans. The following items, without limitation, will be submitted to the Architectural Control Committee for new home construction: house plans, site plans, landscaping plans, and exterior color and material schedule. The Declarant may employ for the Architectural Review Committee architects, engineers, or other Persons necessary to enable the Committee to perform its review. The Architectural Review Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified persons, which shall have full authority to act on behalf of the committee for all matters delegated and in the event of such delegation, the applicant shall be required to pay any fees charged by such architects or other qualified persons. The Declarant/Architectural Review Committee may also delegate certain responsibilities to one or more Owners or other individuals.

In the event that the Architectural Review Committee fails to approve or to disapprove submitted plans and specifications within forty-five (45) days after the plans and specifications have been submitted to it, approval will not be required, and this Section will be deemed to have been fully complied with. As a condition of approval under this Section, an Owner, on behalf of himself and his successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Architectural Review Committee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of himself and his successors-in-interest. The Architectural Review Committee shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. Any member of the Board or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictive covenants have been or are being complied with. Such Person or Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in Article XII, Section 1, hereof, record in the appropriate land records a notice of violation naming the violating Owner.

Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the Architectural Review Committee, the members thereof, nor the Association assumes liability or responsibility therefore, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Review Committee, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans or specifications and every Owner agrees that he will not bring any action or suit against Declarant, the Association, the Architectural Review Committee, the Board, or the officers, directors, members, employees, and agents of any of them to

recover any such damages and hereby releases, remises, quit-claims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

**Section 11. Antennas.** No exterior antennas of any kind shall be placed, allowed, or maintained upon any portion of the Community, including any Residence without the prior written consent of the Board or its designee. No free standing antennas whatsoever shall be placed on any Residence. The Board or its designee may approve the installation of radio antennas which do not protrude above the roof line of the Residence at its highest point and are not visible from the street in front of the Residence. Each Owner and Occupant acknowledges that this provision benefits all Owners and Occupants and each Owner and Occupant agrees to comply with this provision despite the fact that the erection of an outdoor antenna or similar device would be the most cost-effective way to transmit or receive the signals sought to be transmitted or received. No "satellite receiving dish" larger than twenty-four (24) inches in diameter shall be allowed in the Community.

**Section 12. Tree Removal.** No trees shall be removed without the express consent of the Declarant or Board or their respective designee, except for (a) diseased or dead trees; (b) trees less than six (6) inches in diameter; (c) trees needing to be removed for safety reasons; or (d) trees in the immediate location of building approved by the Architectural Review Committee.

**Section 13. Drainage.** Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or Occupant may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains except with the permission of the Architectural Review Committee. Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water flow. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

**Section 14. Site Distance at Intersections.** All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where this would create a traffic or sight problem.

**Section 15. Clotheslines, Garbage Cans, Woodpiles, Etc.** All clotheslines, garbage cans, woodpiles, swimming pool pumps, filters and related equipment, air conditioning compressors and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property. All rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. Declarant, however, hereby expressly reserves the right to dump and bury rocks and trees on property within the Community as needed for efficient construction and to allow developers and builders within the Community to bury rocks and trees removed from a building site on such building site. Trash, garbage, debris, or other waste matter of any kind may not be burned

within the Community, except when done during the normal construction of a residence or by Declarant.

**Section 16. Subdivision of Lot.** No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Declarant or its designee. Declarant, however, hereby expressly reserves the right to replat any Residence or Residences owned by Declarant during the time in which Declarant may annex property. After the expiration of the Declarant's right to annex, the Board must approve all resubdivisions. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations.

**Section 17. Guns.** The use of firearms in the Community is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and firearms of all types.

**Section 18. Fencing.** No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Community, including any Residence, without the prior written consent of the Architectural Review Committee or its designee. Fences will be compatible within the home and have architectural interest. Flat wood fencing that does not have architectural interest and visual relief will not be approved. No fence will be higher than six feet from the final ground level to the top of the fence except by special permission of the Architectural Control Committee. The exterior side of the fence has to be finished; specifically the structural characteristics must be covered. Brick is the preferred material to use at the corner posts. No rough sawn board of any kind will be used in the fence. All wood will be painted or opaque stained and maintained in a satisfactory manner. No chain link fence will be allowed within the subdivision. Fences regardless of construction will not be permitted any nearer, to front lot line than the rear most corner of the dwelling except in special circumstances.

Except for approved privacy fences erected around pools and patios, there shall be no solid fences erected in the back yards of residences of Lake Lot Owners, nor any other structure closer than forty (40) feet to the back lot line. The intent of this regulation as related to Lake Lot Owners is to present an aesthetically pleasing, "non-walled off" appearance from, to, and in the vicinity of Lakes. With approval of the Architectural Review Committee, a four (4) feet high wrought iron fence may be erected.

**Section 19. Lakes.** This Section, Article XI, Sections 4 and 5 of this Declaration, and rules, use restrictions and design guidelines issued by the Board or its designee shall govern the use of such lakes as may exist in the Community or such lakes as are made available for the use of all Owners and Occupants in the Community and activities related thereto. Fishing shall be permitted so long as a license is obtained from the appropriate governmental authority. Swimming, ice skating and water skiing shall not be permitted, except as specifically approved by the Board. Unless approved by the Board or its designee, no Owner may construct a dock. Retaining walls and similar structures shall not be installed without the prior written approval of the Board or its designee. Except as may be approved by the Board or its designee, boats shall not be permitted on the lakes.

**Section 20. Utility Lines.** No overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction and lines installed by or at the request of Declarant.

**Section 21. Air-Conditioning Units.** Except as may be permitted by the Architectural Control Committee or its designee, no window air conditioning units may be installed.

**Section 22. Artificial Vegetation, Exterior Sculpture, and Similar Items.** No artificial vegetation shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, and similar items must be approved by the Architectural Control Committee or its designee.

**Section 23. Energy Conservation Equipment.** No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Architectural Control Committee or its designee.

**Section 24. Above-Ground Swimming Pools.** Except as may be permitted by the Architectural Control Committee or its designee, above ground swimming pools shall not be erected.

**Section 25. Driveways.** Except as may be permitted by the Architectural Control Committee or its designee, driveways shall be constructed with concrete.

**Section 26. Exteriors.** Except as may be permitted by the Architectural Control Committee or its designee, the exterior of all improvements including, without limitation, Residences must be repainted in a color used in the original construction of Residences within the Community. No Residence exterior shall be constructed of untreated wood. All such wood exteriors must be painted or specifically approved by the Architectural Review Committee.

**Section 27. Window Coverings.** Aluminum foil on window panes, mirrored or reflective glass is not allowed.

**Section 28. Chimneys.** All chimneys that are on the exterior wall must have either brick or stone on the three exterior sides of the chimney. Interior chimneys may have either a siding or stucco product on all four sides of the chimney.

**Section 29. Lake and Park Lot Restrictions.** Notwithstanding any other subdivision restrictions, all dwellings and permitted accessory building constructed on lots that abut either the Community's lake or a designated park area shall have an exterior of at least 95% brick and/or stone construction, including gable ends. The provision may be specifically exempted by the architectural control committee, but will only be considered because of unusual architectural constraints.

**Section 30. Mailboxes.** Only approved mailboxes can be installed in the community. Each mailbox must be the designated model of the Architectural Control Committee, or its designee. Each mailbox shall have a black finish.

**Section 31. Landscaping.** The purpose of this restriction is to promote landscape development of single family residential lots that will preserve and appreciate the value of the development by promoting a high quality, cohesive level of landscaping. These requirements may be altered or amended at the discretion of the architectural control committee.

Guideline for Landscaping Planning:

- (a) Existing vegetation and trees should be preserved whenever possible to provide screening and lend an established feeling to the Community.
- (b) Shrubs should be well distributed, but not necessarily evenly spaced. Shrubs may be used for screening and to minimize the visual impact of driveways and parking areas.
- (c) Earth berms may be used to create a sense of enclosure and to screen driveways, especially if planted with shrubbery.
- (d) Unified mulched planting beds edged in materials such as brick, steel or wood look neat longer and their shape is preserved.
- (e) Exterior building material colors should be considered when selecting flowering trees and shrubs so that colors will not compete with or negate each other.

General Landscape Requirements:

- (a) A landscape plan shall be included as part of the lot development package submittal. This plan will include the entire lot and indicate the following:
  - (i) General information, including date, north arrow, and scale of one inch to no more than fifty feet; all property lines, locations of all easements and rights-of-way; name and telephone numbers of builder and owner.
  - (ii) Construction information, including the locations of buildings, driveways, walks, walls, fences, and terraces.
  - (iii) Locations, caliper, species (common name), and intended treatment (move, remove, or save) of existing trees six inches or greater at breast height.
  - (iv) A schedule of all new and existing required plants proposed for landscaping, including size (caliper and height, container size, etc.) common names (genus, species, and variety) of trees, shrubs, and ground cover, and type and amount of turf grasses.

(b) The front yard of each lot shall be planted with one large tree (4.i, ii, iii) and one small tree (4.iv, v), to include no more than one evergreen. Shrubbery required in the front yard shall be a minimum of eight shrubs, at least half of which shall be species evergreen in this climate. Shrubs shall be planted in a bed of mulch or ground cover other than turf grass.

(c) All proposed trees shall conform to be the minimum size standard listed below, based on American Standards for Nursery Stock, ANSI Z60.1, published by the American Association of Nurserymen and approved by the American National Standards Institute, as follows:

Suggested Large Trees:

(i) Type 1, Shade trees, 12' height range - Sugar Maple, Red Maple, Tulip Poplar, Sycamore, Red Oak, White Oak, and Willow Oak.

(ii) Type 2, Shade trees, 6' to 8' height range - Weeping Willow, Bradford Pear, Golden Rain Tree, Southern Magnolia, Zelkova, River Birch and European Birch.

(iii) Type 5, Coniferous Evergreens, 5' to 6' height range - Pine species, Hemlock and Spruce.

Suggested Smaller Trees:

(iv) Type 3, Small upright trees, 6' to 7' height range - Redbud, Crabapple, Crepe Myrtle, Cherry Laurel, and Flowering Plum.

(v) Type 4, Small spreading trees, 5' to 6' height range - Flowering Dogwood, Star Magnolia, Flowering Cherry, and Japanese Maple.

(d) If existing trees meet requirements of this covenant in all respects, required trees of the covenant may be omitted. Each existing tree meeting requirements may count, at the option of the owner, for one of the trees in its required class, provided it:

(i) Is not one of the following species: Boxelder, silver maple, catalpa, cottonwood, camphor, mimosa, chinaberry, princess tree, or Siberian elm.

(ii) Has a live crown and is free from serious root, trunk, and crown injury.

(iii) Is indicated on the landscaping plan as a tree "to be saved."

- (iv) is situated so that it can be incorporated into the landscape with minimal grade, cut, or fill under the drip line of the tree.
- (e) Ground cover may include shrubs and low-growing plants such as Liriope, English ivy, Periwinkle, and similar material. Ground cover may also include non-living organic material such as bark and pine straw.
- (f) All trees shall be preserved, unless removal is part of an approved plan.
- (g) The lot shall be completely landscaped. However, planned natural areas will be allowed provided that the lawn and the natural area form a cohesive whole.
- (h) Driveways shall coordinate with topography and existing vegetation to preserve all trees greater than six inches in diameter at breast height. "Straight-in" driveways should be avoided.
- (i) Each lot owner must submit a landscaping plan and must completely install such plan within ninety days of occupying the residence. Additionally, each lot owner must maintain his lawn in as good or better condition than his original landscaping plan. It is not the intention of the architectural control committee to monitor every planting in Laurenwood Preserve, but if a lawn, at the sole discretion of the architectural control committee, has deteriorated and/or was never installed properly, and then the lot owner will be required to bring his lot into compliance with the guidelines.
- (j) Each Owner must maintain the Lot and keep it free of weeds and debris, even before construction begins. In the event the Lot becomes, in the sole discretion of either the Declarant or the Board, distracting or unattractive due to the growth of weeds, grass, or other vegetation, after 5 days notice to the Owner, either the Declarant or the Board may pay to have the Lot mowed or take other necessary action. A lien may then be filed against the Lot in the same manner as for delinquent dues to the Association.

**Section 32. Screening of Heating and Cooling Units.** All exterior heat and air conditioning compressors or air handlers must be screened from view. This can be accomplished with vegetation, brick and/or stone. If vegetation is used it must create a walled off effect. The screening is encouraged on all sides of the equipment but is required on the front and side of the equipment.

**Section 33. Storage Tanks.** Any storage tank must be approved by the architectural control committee and, if approved, must be buried, or, if they are less than fifty-gallon capacity, may, with the architectural control committee's approval, be installed above ground, if properly screened.

**Section 34. Corner Lots.** All corner lots shall be built either caddie-corner to both streets or, in the case that the residence is built parallel to one of the streets, the garage must face the interior lot so that no garage will face any street at a ninety-degree angle.

**Section 35. Basketball Goals.** No basketball goals may be erected or constructed on the front of any lot. Only Architectural Control Committee approved basketball goals may be erected or constructed.

**Section 36. Dwelling Restrictions.**

(i) All dwellings and permitted accessory buildings constructed on the lots of said subdivision shall have an exterior of at least ninety-five percent stone or masonry brick construction, with no less than ninety-five percent of the exterior of the sides of the dwellings or buildings consisting of stone or masonry brick. Visible unpainted red "sewer brick" will not be allowed.

(ii) All dwellings shall have side or rear entry garages. No front entry garages will be permitted except as noted above that if main body garage is side entry, a single vehicle front entry garage shall be allowed.

(iii) All one story dwellings shall have at least 1900 square feet of heated living area. All two story dwellings shall have at least 2100 square feet of heated living area.

(iv) Roofs of dwellings constructed on all of said lots shall be of architectural grade shingles.

(v) All dwellings shall have a roof pitch of 8/12 or greater.

**Section 37. Pool and Clubhouse.** Pool is to be used by residents of Laurenwood Preserve only. Residents are allowed to have guests use the pool when accompanied by a resident. The clubhouse is available to be rented for private parties. There will be a deposit of \$250.00 for cleaning after a private party. If resident chooses to do cleaning, deposit being returned after inspection by the Home Owners Association representative.

**ARTICLE VII  
Insurance and Casualty Losses**

**Section 1. Insurance on Common Property.** The Association's Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Property and the entry features, if any, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

The Board shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars.

The Board is hereby authorized to contract with or otherwise arrange to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof, and Declarant shall be authorized, but not obligated, to purchase such insurance coverage for the benefit of the Association and the Owners upon Declarant and Association agreeing upon the terms and conditions applicable to reimbursement by the Association for costs incurred by Declarant in obtaining such coverage. Notwithstanding anything contained in this Declaration to the contrary, the Board shall not be required to comply with the provisions of this Article if the Board has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.

Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefited parties, as further identified in subparagraph (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

- (a) All policies shall be written with a company licensed to do business in Alabama and holding a rating of B or better as established by A. M. Best Company, Inc., if available, or, if not available, the most nearly equivalent rating.
- (b) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.
- (c) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, Occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.
- (d) All insurance policies shall be reviewed annually by one or more qualified persons.
- (e) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

- (i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners, the Declarant, and their respective tenants, servants, agents, and guests;
- (ii) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;
- (iii) that no policy may be canceled, invalidated, or suspended on account of anyone or more individual Owners;
- (iv) that no policy may be canceled, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;
- (v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and
- (vi) that no policy may be canceled or substantially modified without at least thirty (30) days' prior written notice to the Association.

**Section 2. Property Insured By Association: Damage and Destruction.** Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty.

Any damage or destruction shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least sixty-six (66%) percent of the total Association vote entitled to vote thereon, the Owner(s) of the damaged property, if any, and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof, the Declarant, otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however such extension shall not exceed one hundred and twenty (120) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's Members, levy a special assessment against all Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs or repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community in a neat and attractive condition.

**Section 3. Property Insured By Owners: Damage and Destruction.** By virtue of taking title to property within the Community, each Owner covenants and agrees with all other Owners and with the Association that in the event that the Association does not carry insurance on the Owner's property, each individual Owner shall carry liability and casualty insurance. Each individual Owner further covenants and agrees that in the event of a partial loss of damage and destruction resulting in less than total destruction, the individual Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction. In the event that the structure is totally destroyed and the individual Owner determines not to rebuild or to reconstruct, the individual Owner shall clear the Residence of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction.

**Section 4. Insurance Deductible.** The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the Persons who are responsible hereunder, or under any declaration or contract requiring the Association to obtain such insurance, for maintenance of the damaged or destroyed property.

## **ARTICLE VIII Condemnation**

Whenever all or any part of the Common Property shall be taken (or conveyed in lieu of and under threat of condemnation by the Board, acting on its behalf or on the written direction of all Owners subject to the taking, if any) by any authority having the power of condemnation or eminent domain, the Association shall represent the Owners. The award made for such taking shall be payable to the Association as trustee for all Owners. The provisions of Article VIII, Section 2, above, applicable to Common Property improvements damage or destruction, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

## ARTICLE IX Annexation of Additional Property

**Section 1. Unilateral Annexation by Declarant.** As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until ten (10) years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit "C", attached hereto and by reference made a part hereof, and as it may be amended from time to time, to the provisions of this Declaration and the jurisdiction of the Association by filing for record a Supplementary Declaration in respect to the property being annexed. Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein. The rights reserved unto Declarant to subject additional land to the Declaration shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such additional land to this Declaration or to the jurisdiction of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land or nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

**Section 2. Exhibit "C": Real Property Amendment.** Subject to the consent of the owner or owners thereof and, so long as the Declarant has the right to subject additional real property as described in Exhibit "C" (as it may be amended from time to time as herein provided) to this Declaration as provided above, with the consent of the Declarant, upon the affirmative vote of at least a majority of the Board of the Association, in person or by proxy, at a meeting duly called for such purpose, the Board may amend Exhibit "C" real property to include such additional real property as may meet the above described requirements by filing for record a Supplementary Declaration with respect to the property being annexed included by amendment to Exhibit "C" Real Property. Any such Supplementary Declaration shall be signed by the President and Secretary of the Association, and any such annexation amendment shall be effective upon the filing for record of such Supplementary Declaration, unless otherwise provided therein.

## ARTICLE X Mortgagee Provisions

The following provisions are for the benefit of holders of first Mortgages on Residences in the Community. The provisions of this Article apply to both this Declaration and the By-Laws notwithstanding any other provisions contained therein.

**Section 1. Notices of Action.** An institutional holder, insurer, or guarantor of a first Mortgage, who provides written request to the Association (such request to state the name and address of such holder, insurer, guarantor and the Residence number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

- (a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Residence on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;
- (b) any delinquency in the payment of assessments or charges owed by an Owner of a Residence subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Residence of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;
- (c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or
- (d) any proposed action which would require the consent of a specified percentage of eligible holders.

**Section 2. No Priority.** No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Residence in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

**Section 3. Notice to Association.** Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Residence.

**Section 4. Amendment by Board.** Should the Veterans Administration or the Federal National Mortgage Association subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause amendments to this Article to be recorded to reflect such changes.

**Section 5. Applicability of Article X.** Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Alabama law for any of the acts set out in this Article.

**Section 6. Failure of Mortgagee to Respond.** Any Mortgagee (or insurer or guarantor of a Mortgage) who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

## ARTICLE XI

## Easements

**Section 1. Easements for Encroachment and Overhang.** There shall be reciprocal appurtenant easements for encroachment and overhang as between each Residence and such portion or portions of the Common Property adjacent thereto or as between adjacent Residences due to the placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than five (5) feet, as measured from any point on the common boundary between each Residence and the adjacent portion of the Common Property or as between adjacent Residences, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, Occupant, or the Association.

**Section 2. Easements for Use and Enjoyment of Common Property.** Every Member shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Property which shall be appurtenant to and shall pass with the title to his property, subject to the following provisions:

- (a) the right of the Board to charge reasonable admission and other fees for the use of any portion of the Common Property, including, without limitation, swimming pools, to limit the number of guests who may use the Common Property, to allow Persons who are not Members of the Association, such as Persons living or working in the vicinity of the Community, to use the Common Property on a regular or temporary basis and to charge or not charge a user fee therefore, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by an Owner, his family, tenants, guests, Occupants, and invitees;
- (b) the right of the Board to suspend the voting rights of an Owner and Occupant and the right of an Owner and Occupant to use the Common Property recreational facilities in the Community, if any, for any period during which any assessment which is hereby provided for remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, By-Laws, use restrictions, rules and regulations or design guidelines;
- (c) the right of the Board to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon, and give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided, however, the lien and encumbrance of any such Mortgage given shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant, or any Residence or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Residence or other property located within the Community. (Any provision in this Declaration or in any such Mortgage given by the Board to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default there under shall not cancel or terminate any rights,

Declarant shall have the right to assign and convey, in whole or in part, the easements reserved by it hereunder to one or more public utility companies, quasi-public service companies, or relevant governmental authorities. The Board may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the By-Laws, the rules and regulations, use restrictions, or design guidelines shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board, on behalf of the Association, or, in a proper case, by an aggrieved Owner or Occupant. Failure by the Board, Declarant, or any Owner or Occupant to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice of violation of the Declaration, By-Laws, and to assess the

cost of recording and removing such notice against the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

**Section 2. Self-Help.** In addition to any other remedies provided for herein, the Board or its duly authorized agent shall have the power to enter upon a Residence or any portion of the Community to abate or remove, using such force as may be reasonably necessary, any erection, thing or condition which violates this Declaration, the By-Laws, the rules and regulations, the use restrictions, or the design guidelines. Except in the case of emergency situations and towing, the Board shall give the violating Owner ten (10) days' written notice of its intent to exercise self-help. All costs incurred shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

**Section 3. Durations.** The provisions of this Declaration shall run with and bind the land and shall be and remain in effect perpetually to the extent permitted by law; provided, however, should any provision of Alabama law now or hereafter in effect limit the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law; and such provisions shall be automatically extended for successive periods of ten (10) years or such shorter period as may be allowed by law, unless such extension is disapproved at a meeting duly called for such purpose by at least a Majority of the total Association vote (or, if a meeting is not called, upon the affirmative vote of at least a Majority of the Association votes as recorded by a referendum on the issue) and, so long as the Declarant has an option unilaterally to subject additional Property to this Declaration as provided in Article IX hereof, the written consent of Declarant. Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment

shall not adversely affect title to the property of any Owner without the consent of the affected Owner or Occupant.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of at least a two-thirds (2/3) vote of the total Association vote entitled to vote thereon or three-fourths (3/4) of the Board and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof, the consent of the Declarant. In the event of a conflict between the Board and the Association, the Board's decision controls. A meeting may be called (but shall not be required to be called) to consider and vote upon any amendment. Amendments to this Declaration shall become effective upon recordation, unless a later effective date is specified therein.

Any procedural challenge to an amendment must be made within six (6) months of its recordation. In no event shall a change of conditions or circumstances operate to amend any provisions of the Declaration or By-Laws.

**Section 8. Captions.** The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

Perpetuities.** If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

**Section 10. Indemnification.** The Association shall indemnify every officer and Director against any and all expenses, including attorney's fees, imposed upon or reasonably incurred by any officer or Director in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer or Director. the officers and Directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or Director, or former officer or Director, may be entitled. the Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

**Section 11. **Section 2. Membership.** The Association shall have one class of membership, as is more fully set forth in that Declaration of Protective Covenants for LAURENWOOD PRESERVE, (such Declaration, as amended, renewed, or extended from time to time is hereinafter sometimes referred to as the "Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

**Section 3. Definitions.** The words used in these By-Laws shall have the same meaning as set forth in the Declaration, unless the context shall prohibit.

**Article II  
Association: Meetings, Quorum, Voting, Proxies**

**Section 1. Place of Meetings.** Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors, either in the Community or as convenient thereto as possible and practical.

**Section 2. First Meeting and Annual Meetings.** An annual or special meeting shall be held within one (1) year from the date the Declaration is recorded. Annual meetings shall be set by the Board so as to occur no later than sixty (60) days after the close of the Association's fiscal year. If the day for the annual meeting of the members is a legal holiday, the meeting will be held at the same hour on the first day following which is not a legal holiday (excluding Saturday and Sunday).

**Section 3. Special Meetings.** The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of a Majority of the Board of Directors or upon a petition signed by Owners holding at least twenty-five (25%) percent of the total Association vote. The notice of any special meeting shall state the date, time and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting, except as stated in the notice.

**Section 4. Notice of Meetings.** It shall be the duty of the Secretary to mail or to cause to be delivered to the Owner of record of each Lot a notice of each annual or special meeting of the Association stating the purpose of the special meeting, as well as the time and place where it is to be held. If an Owner wishes notice to be given at an address other than his or her Lot, he or she shall have designated by notice in writing to the Secretary such other address. The mailing or delivery of a notice of meeting in the manner provided in this Section shall be considered service of notice. Notices shall be served not less than ten (10) nor more than thirty (30) days before a meeting.

**Section 5. Waiver of Notice.** Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of notice of the time, date and place thereof, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

**Section 6. Adjournment of Meetings.** If any meetings of the Association cannot be held because a quorum is not present, a Majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was

called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

**Section 7. Voting.** The voting rights of the members shall be as set forth in the Declaration, and such voting rights are specifically incorporated herein.

**Section 8. Proxies.** At all meetings of members, each member may vote in person or by proxy. All proxies shall be in writing, dated and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the member of his or her Lot, or upon receipt of notice by the Secretary of the death or judicially declared incompetence of a member, or of written revocation, or upon the expiration of eleven (11) months from the date of the proxy.

**Section 9. Quorum.** The presence, in person or by proxy, of Owners holding at least twenty-five (25%) percent of the total eligible Association vote shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

### **Article III** **Board of Directors: Number, Powers, Meetings**

#### **A. Composition and Selection.**

**Section 1. Governing Body; Composition.** The affairs of the Association shall be governed by a board of Directors. Except as provided in Section 2 of this Article, the Directors must reside in the Community and shall be members or spouses of such members; provided, however, no Person and his or her spouse may serve on the Board at the same time.

**Section 2. Directors Appointed by Declarant.** Declarant shall have the right to appoint or remove any member or members of the board of Directors or any officer or officers of the Association until such time as the first of the following events shall occur: (a) the expiration of ten (10) years after the date of the recording of the Declaration; (b) the surrender by Declarant in writing of the authority to appoint and remove Directors and officers of the Association. Each Owner, by acceptance of a deed to or other conveyance of a Lot, vests in Declarant such authority to appoint and remove Directors and officers of the Association. The Directors selected by the Declarant need not be Owners or residents in the Community. The names of the initial Directors selected by the Declarant are set forth in the Articles of Incorporation of the Association.

**Section 3. Number of Directors.** The Board shall consist of three (3) members.

**Section 4. Nomination of Directors.** Elected Directors shall be nominated from the floor and may also be nominated by a Nominating Committee, if such a committee is established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

**Section 5. Election and Term of Office.** Not later than thirty (30) days after termination of the Declarant's right to appoint Directors and officers as described in Section 2 of this Article, the Association shall call a meeting to be held at which Owners shall elect three (3) Directors. The term of two (2) Directors shall expire two (2) years after the first annual meeting following termination of the Declarant's right to appoint directors, and the term of one (1) Director shall expire one (1) year after such annual meeting. At the expiration of the first term of office of each member of the initial Board of Directors, a successor shall be elected to serve for a term of two (2) years. The members of the Board of Directors shall hold office until their respective successors shall have been elected by the Association.

At each annual meeting of the membership thereafter, Directors shall be elected to succeed those Directors whose terms are expiring. All eligible members of the Association shall vote on all Directors to be elected, and the candidate(s) receiving the most votes shall be elected.

**Section 6. Removal of Directors.** At any regular or special meeting of the Association duly called, any one or more of the members of the Board of Directors may be removed, with or without cause, by a Majority of the total Association vote and a successor may then and there be elected to fill the vacancy thus created. A Director whose removal has been proposed by the Owners shall be given at least ten (10) days notice of the calling of the meeting and the purpose thereof and shall be given an opportunity to be heard at the meeting. Additionally, any Director who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of an assessment for more than twenty (20) days may be removed by a Majority vote of the Directors at a meeting, a quorum being present. This Section shall not apply to Directors appointed by Declaration.

**Section 7. Vacancies.** Vacancies in the Board of Directors caused by any reason, excluding the removal of a Director by vote of the Association, shall be filled by a vote of the Majority of the remaining Directors, even though less than a quorum, at any meeting of the Board of Directors. Each Director so selected shall serve the unexpired portion of the term of his predecessor.

## **B. Meetings**

**Section 8. Organization Meetings.** The first meeting of the members of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

**Section 9. Regular Meetings.** Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a Majority of the Directors, but at least two (2) such meetings shall be held during each fiscal year. Notice of the regular schedule shall constitute sufficient notice of such meetings.

**Section 10. Special Meetings.** Special meetings of the Board of Directors shall be held when requested by the president, Vice President or by any two (2) Directors. The notice shall specify the time and place of the meeting and nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the Director or to a Person at the Director's home or office who would reasonable be expected to communicate such notice promptly to the Director; or (d) by telegram, charges prepaid. All such notices shall be given or sent to the Director's address or telephone number as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph company shall be given at least forty-eight (48) hours before the time set for the meeting.

**Section 11. Waiver of Notice.** The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

**Section 12. Quorum of Board of Directors.** At all meetings of the Board of Directors, a Majority of the Directors shall constitute a quorum for the transaction of business, and the votes of a Majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, if any action taken is approved by at least a Majority of the required quorum for that meeting. If any meeting cannot be held because a quorum is not present, a Majority of the directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time that the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

**Section 13. Compensation.** No Director shall receive any compensation from the Association for acting as

such unless approved by a Majority of the Owners.

**Section 14. Open Meetings.** All meetings of the Board shall be open to all members, but members other than Directors may not participate in any discussion or deliberation unless expressly so authorized by the Board.

**Section 15. Executive Session.** The Board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

**Section 16. Action Without A Formal Meeting.** Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors.

**Section 17. Telephonic Participation.** One or more directors may participate in and vote during any regular or special meeting of the Board by telephone conference call or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time, and those directors so participating shall be present at such meeting. Any such meeting at which a quorum participates shall constitute a regular meeting of the Board.

### **C. Powers and Duties.**

**Section 18. Powers.** The Board of Directors shall be responsible for the affairs of the Association and shall have all powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the members. In addition to the duties imposed by these By-Laws or by any resolution of the Association that may hereafter be adopted, the Board of Directors shall have the power to and be responsible for the following, in way of explanation, but not limitation:

WHEREAS, the Board has unanimously voted to amend the Declaration as hereinafter set forth; and

WHEREAS, the Declarant joins in this Amendment for the purpose of ratifying and consenting to such Amendment.

NOW, THEREFORE, pursuant to the provisions of Article XII, Section 4 of the Declaration of Protective Covenants for Laurenwood Preserve Subdivision, formerly known as Legendwood Preserve recorded as Document No. 20060428000277110, and subsequently amended by the First Amendment, the Second Amendment and the Third Amendment. The Board and the Declarant do hereby amend the Declaration as follows:

1. The Third Amendment is hereby repealed and declared null and void and that certain Supplemental Declaration dated August 12, 2009 and recorded as Document No. 20090813000531330 in the Office of the Judge of Probate of Madison County, Alabama (the "Supplement") shall be valid and the real property added to the Declaration by the Supplement shall be subject to all of the terms and conditions of the Declaration and all amendments thereto.

2. Article IV, Section 2 is hereby amended to read in its entirety as follows:

"Section 2. Type of Assessments. Each Owner of any Residence, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) General Assessments (Each developer, builder or owner agrees to pay to the Association General Assessments, which will commence one (1) year subsequent to issuance of a building permit for any Lot. From the applicable commencement date, such General Assessment will be prorated for the commencement assessment year.); (b) Special assessments, such assessments to be established and collected as hereinafter provided in Article IV, Section 10; and (c) Specific assessments against any particular Residence which are established pursuant to the terms of this Declaration, including, but not limited to, those assessments established by Article IV, Section 10, and Article V, Section 2, hereof and reasonable fines as may be imposed in accordance with the terms of the Declaration and By-laws, General Assessments shall be levied for Association Expenses determined by the Board to benefit all Owners and Occupants. General Assessments shall be allocated among all Residences in the Community.

3. In Article IV, Section 4 in the second paragraph, the first sentence, after the word "each", and before the word "lot", the word "assessed" is hereby added.

4. The last sentence of Article IV, Section 8 is hereby amended to read as follows:

"Notwithstanding the foregoing, any Lots owned by Declarant in Phases Three, and if supplemented, Four and Five shall be exempt from the payment of any assessments hereunder until title to the subject vacant Lot has been sold and conveyed and transferred to a third party."

5. Article VI of the Declaration is hereby amended to read in its entirety as follows:

**"ARTICLE VI  
Use Restrictions and Rules**

**Section 1. General.** This Article, beginning at Section 2, sets out certain use restrictions which must be complied with by all Owners and Occupants. These use restrictions may only be amended in the manner provided in Article XII, Section 4, hereof regarding amendment of this Declaration. In addition, the Board, by a two-thirds (2/3) vote, may, from time to time, without consent of the Members, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. This authority shall include, but shall not be limited to, the right to limit the type and size of vehicles within the Community and to set the maximum and minimum speeds of vehicles on private streets within the Community and to impose all other necessary traffic and parking regulations and to restrict the maximum noise levels of vehicles in the Community. The Board may also restrict certain portions of the recreational facilities administered by the Association to adults only. Such use restrictions and rules shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled, or modified in a regular or special meeting by a Majority of the total Association vote entitled to vote thereon including, the owners in Phases 3, and if added, 4 and 5.

**Section 2. Residential Use.** All Residences shall be used for single-family residential purposes exclusively. No business or business activity shall be carried on, in or upon any Residence at any time except with the written approval of the Board. Leasing of a Residence shall not be considered a business or business activity. However, the Board may permit a Residence to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or By-Laws, does not create a disturbance. The Board may issue rules regarding permitted business activities. Residences of more than two stories are prohibited.

**Section 3. Signs.** No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the Architectural Review Committee. Notwithstanding the foregoing, both the Declarant and the Board shall have the right to erect reasonable and appropriate signs, and "For Sale" and "For Rent" signs consistent with the Community-Wide Standard may be erected upon any Residence. The provisions of this Section shall not apply to any Person holding a Mortgage who becomes the Owner of any Residence as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu thereof.

**Section 4. Vehicles and Garages.** The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes,

scooters, go-carts, trucks, campers, buses, vans, and automobiles. All vehicles shall be parked within garages, driveways, or other Board approved paved parking areas on a Lot. Parking in yards is prohibited.

No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, for a period longer than five (5) days if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five (5) day period, such vehicle shall be considered a nuisance and may be removed from the Community. Any towed vehicle, boat, recreational vehicle, motor home, or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in a garage or other area designated by the Board, for periods longer than twenty-four (24) hours each shall be considered a nuisance and may be removed from the Community. Trucks with mounted campers which are an Owner's or Occupant's primary means of transportation shall not be considered recreational vehicles, provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal.

No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles and vehicles authorized by the Board.

Residences shall contain, as a minimum, a two-car garage; carports shall not be permitted. Front entry garages are permitted. Garage doors shall be kept closed at all times, except when garage is in use.

**Section 5. Leasing.** Residences may be leased for residential purposes. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, By-Laws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing and shall provide that in the event of noncompliance, the Board, in addition to any other remedies available to it, may evict the tenant on behalf of the Owner and specifically assess all costs associated therewith against the Owner and the Owner's property.

**Section 6. Occupants Bound.** All provisions of the Declaration, By-Laws, and of any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not paid timely, the fine may then be additionally levied against the Owner.

**Section 7. Animals and Pets.** No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Residence, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board; provided, however, those pets which are permitted to roam free, or in

the sole discretion of the Board, endanger health, make objectionable noise (including, but not limited to barking dogs), or constitute a nuisance or inconvenience to the Association members or Occupants or the owner of any property located adjacent to the Community may be removed by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs which are household pets shall at all times whenever they are outside a Residence be on a leash or otherwise confined in a manner acceptable to the Board. Without prejudice to the Board's right to remove any such household pets, no household pet that has caused damage or injury may be walked in the Community. Animal control authorities shall be permitted to enter the Community to patrol and remove pets. Pets shall be registered, licensed and inoculated as required by law.

**Section 8. Nuisance.** It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Residence to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community.

**Section 9. Unsightly or Unkempt Conditions.** The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

**Section 10. Architectural Standards.** No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except as is approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and location shall have been submitted in writing to and approved by the Architectural Review Committee(s) appointed by the Board. A \$75 plan review fee shall be paid to the Architectural Review Committee, its successors and assigns, which is to be submitted along with the proposed building plans. The following items, without limitation, will be submitted to the Architectural Control Committee for new home construction: house plans, site plans, landscaping plans, and exterior color and material schedule. The

Architectural Review Committee shall consist of Wes Alford, Jeff Parker and three (3) members appointed by the Board of Directors. The Architectural Review Committee may employ for the Architectural Review Committee architects, engineers, or other Persons necessary to enable the Committee to perform its review. The Architectural Review Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified persons, which shall have full authority to act on behalf of the committee for all matters delegated and in the event of such delegation, the applicant shall be required to pay any fees charged by such architects or other qualified persons.

In the event that the Architectural Review Committee fails to approve or to disapprove submitted plans and specifications within seven (7) days after the plans and specifications have been submitted to it, approval will not be required, and this Section will be deemed to have been fully complied with. As a condition of approval under this Section, an Owner, on behalf of himself and his successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Architectural Review Committee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of himself and his successors-in-interest. The Architectural Review Committee may withhold approval of any plans which fail to meet the standards and requirements set forth in this Declaration, and it shall be entitled to stop any construction in violation of these restrictions. Submission of blanket plans and specifications, once approved, shall not require re-approval as long as this Article VI is adhered to. Any member of the Board or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictive covenants have been or are being complied with. Such Person or Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in Article XII, Section I, hereof, record in the appropriate land records a notice of violation naming the violating Owner.

Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the Architectural Review Committee, the members thereof, nor the Association assumes liability or responsibility therefore, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Review Committee, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who

submits plans or specifications and every Owner agrees that he will not bring any action or suit against Declarant, the Association, the Architectural Review Committee, the Board, or the officers, directors, members, employees, and agents of any of them to recover any such damages and hereby releases, remises, quit-claims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

Section 11. Antennas. No exterior antennas of any kind shall be placed, allowed, or maintained upon any portion of the Community, including any Residence without the prior written consent of the Board or its designee. No free standing antennas whatsoever shall be placed on any Residence. The Board or its designee may approve the installation of radio antennas which do not protrude above the roofline of the Residence at its highest point and are not visible from the street in front of the Residence. Each Owner and Occupant acknowledges that this provision benefits all Owners and Occupants and each Owner and Occupant agrees to comply with this provision despite the fact that the erection of an outdoor antenna or similar device would be the most cost-effective way to transmit or receive the signals sought to be transmitted or received. No "satellite receiving dish" larger than twenty-four (24) inches in diameter shall be allowed in the Community.

Section 12. Tree Removal. No trees shall be removed without the express consent of the Declarant or Board or their respective designee, except for (a) diseased or dead trees; (b) trees less than six (6) inches in diameter; (c) trees needing to be removed for safety reasons; or (d) trees in the immediate location of building approved by the Architectural Review Committee.

Section 13. Drainage. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or Occupant may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains except with the permission of the Architectural Review Committee. Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water flow rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Section 14. Site Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where this would create a traffic or sight problem.

Section 15. Clotheslines, Garbage Cans, Woodpiles, Etc. All clotheslines,

garbage cans, woodpiles, swimming pool pumps, filters and related equipment, air conditioning compressors and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property. All rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. Declarant, however, hereby expressly reserves the right to dump and bury rocks and trees on property within the Community as needed for efficient construction and to allow developers and builders within the Community to bury rocks and trees removed from a building site on such building site. Trash, garbage, debris, or other waste matter of any kind may not be burned within the Community, except when done during the normal construction of a residence or by Declarant.

Section 16. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Declarant or its designee. Declarant, however, hereby expressly reserves the right to replat any Residence or Residences owned by Declarant during the time in which Declarant may annex property. After the expiration of the Declarant's right to annex, the Board must approve all resubdivisions. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations.

Section 17. Guns. The use of firearms in the Community is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and firearms of all types.

Section 18. Fencing. No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Community, including any Residence, without the prior written consent of the Architectural Review Committee or its designee. Fences will be compatible within the home and have architectural interest. Flat wood fencing that does not have architectural interest and visual relief will not be approved. No fence will be higher than six feet from the final ground level to the top of the fence except by special permission of the Architectural Control Committee. The exterior side of the fence has to be finished; specifically the structural characteristics must be covered. Brick is the preferred material to use at the corner posts. No rough sawn board of any kind will be used in the fence. All wood will be painted or opaque stained and maintained in a satisfactory manner. No chain link fence will be allowed within the subdivision. Fences regardless of construction will not be permitted any nearer, to front lot line than the rear most corner of the dwelling except in special circumstances.

Except for approved privacy fences erected around pools and patios, there shall be no solid fences erected in the back yards of residences of Lake Lot Owners, nor any other structure closer than forty (40) feet to the back lot line. The intent of this regulation as related to Lake Lot Owners is to present an aesthetically pleasing, "non-walled off" appearance from, to, and in the vicinity of Lakes. With approval of the Architectural Review Committee, a four (4) feet high wrought iron fence may be erected.

**Section 19. Lakes.** This Section, Article XI, Sections 4 and 5 of this Declaration, and rules, use restrictions and design guidelines issued by the Board or its designee shall govern the use of such lakes as may exist in the Community or such lakes as are made available for the use of all Owners and Occupants in the Community and activities related thereto. Fishing shall be permitted so long as a license is obtained from the appropriate governmental authority. Swimming, ice skating and water skiing shall not be permitted, except as specifically approved by the Board. Unless approved by the Board or its designee, no Owner may construct a dock. Retaining walls and similar structures shall not be installed without the prior written approval of the Board or its designee. Except as may be approved by the Board or its designee, boats shall not be permitted on the lakes.

**Section 20. Utility Lines.** No overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction and lines installed by or at the request of Declarant.

**Section 21. Air-Conditioning Units.** Except as may be permitted by the Architectural Control Committee or its designee, no window air conditioning units may be installed.

**Section 22. Artificial Vegetation, Exterior Sculpture, and Similar Items.** No artificial vegetation shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, and similar items must be approved by the Architectural Control Committee or its designee.

**Section 23. Energy Conservation Equipment.** No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Architectural Control Committee or its designee.

**Section 24. Above-Ground Swimming Pools.** Except as may be permitted by the Architectural Control Committee or its designee, above ground swimming pools shall not be erected.

**Section 25. Driveways.** Except as may be permitted by the Architectural Control Committee or its designee, driveways shall be constructed with concrete.

**Section 26. Exteriors.** Except as may be permitted by the Architectural Control Committee or its designee, the exterior of all improvements including, without limitation, Residences must be repainted in a color used in the original construction of Residences within the Community. No Residence exterior shall be constructed of untreated wood. All such wood exteriors must be painted or specifically approved by the Architectural Review Committee.

Section 27. Window Coverings. Aluminum foil on window panes, mirrored or reflective glass is not allowed.

Section 28. Chimneys. All chimneys that are on the exterior wall must have either brick or stone on the three exterior sides of the chimney. Interior chimneys may have either a siding or stucco product on all four sides of the chimney.

Section 29. Lake and Park Lot Restrictions. Notwithstanding any other subdivision restrictions, all dwellings and permitted accessory building constructed on lots that abut either the Community's lake or a designated park area shall have an exterior of at least 95% brick and/or stone construction, including gable ends. This requirement shall not apply to lots abutting the two (2) lots in Phase 2 conveyed to the Association by Smart Living, LLC. The provision may be specifically exempted by the architectural control committee, but will only be considered because of unusual architectural constraints.

Section 30. Mailboxes. Only approved mailboxes can be installed in the community. Each mailbox must be the designated model of the Architectural Control Committee, or its designee. Each mailbox shall have a black finish.

Section 31. Landscaping. The purpose of this restriction is to promote landscape development of single family residential lots that will preserve and appreciate the value of the development by promoting a high quality, cohesive level of landscaping. These requirements may be altered or amended at the discretion of the architectural control committee.

Guideline for Landscaping Planning:

- (a) Existing vegetation and trees should be preserved whenever possible to provide screening and lend an established feeling to the Community.
- (b) Shrubs should be well distributed, but not necessarily evenly spaced. Shrubs may be used for screening and to minimize the visual impact of driveways and parking areas.
- (c) Earth berms may be used to create a sense of enclosure and to screen driveways, especially if planted with shrubbery.
- (d) Unified mulched planting beds edged in materials such as brick, steel or wood look neat longer and their shape is preserved.
- (e) Exterior building material colors should be considered when selecting flowering trees and shrubs so that colors will not compete with or negate each other.

General Landscape Requirements:

- (a) A landscape plan shall be included as part of the lot development package submittal.

This plan will include the entire lot and indicate the following:

- (i) General information, including date, north arrow, and scale of one inch to no more than fifty feet; all property lines, locations of all easements and rights-of-way; name and telephone numbers of builder and owner.
  - (ii) Construction information, including the locations of buildings, driveways, walks, walls, fences, and terraces.
  - (iii) Locations, caliper, species (common name), and intended treatment (move, remove, or save) of existing trees six inches or greater at breast height.
  - (iv) A schedule of all new and existing required plants proposed for landscaping, including size (caliper and height, container size, etc.), common names (genus, species, and variety) of trees, shrubs, and ground cover, and type and amount of turf grasses.
- (b) The front yard of each lot shall be planted with one large tree (4.i, ii, iii) and one small tree (4.iv, v), to include no more than one evergreen. Shrubbery required in the front yard shall be a minimum of eight shrubs, at least half of which shall be species evergreen in this climate. Shrubs shall be planted in a bed of mulch or ground cover other than turf grass.
- (c) All proposed trees shall conform to be the minimum size standard listed below, based on American Standards for Nursery Stock, ANSI Z60.1, published by the American Association of Nurserymen and approved by the American National Standards Institute, as follows:

Suggested Large Trees:

- (i) Type 1, Shade trees, 12' height range - Sugar Maple, Red Maple, Tulip Poplar, Sycamore, Red Oak, White Oak, and Willow Oak.

(ii) Type 2, Shade trees, 6' to 8' height range - Weeping Willow, Bradford Pear, Golden Rain Tree, Southern Magnolia, Zelkova, River Birch and European Birch.

(iii) Type 5, Coniferous Evergreens, 5' to 6' height range - Pine species, Hemlock and Spruce.

Suggested Smaller Trees:

(iv) Type 3, Small upright trees, 6' to 7' height range - Redbud, Crabapple, Crepe Myrtle, Cherry Laurel, and Flowering Plum.

(v) Type 4, Small spreading trees, 5' to 6' height range - Flowering Dogwood, Star Magnolia, Flowering Cherry, and Japanese Maple.

(d) If existing trees meet requirements of this covenant in all respects, required trees of the covenant may be omitted. Each existing tree meeting requirements may count, at the option of the owner, for one of the trees in its required class, provided it:

(i) Is not one of the following species: Boxelder, silver maple, catalpa, cottonwood, camphor, mimosa, chinaberry, princess tree, or Siberian elm.

(ii) Has a live crown and is free from serious root, trunk, and crown injury.

(iii) Is indicated on the landscaping plan as a tree "to be saved."

(iv) Is situated so that it can be incorporated into the landscape with minimal grade, cut, or fill under the drip line of the tree.

(e) Ground cover may include shrubs and low-growing plants such as Liriope, English ivy, Periwinkle, and similar material. Ground cover may also include non-living organic material such as bark and pine straw.

(f) All trees shall be preserved, unless removal is part of an approved plan.

(g) The lot shall be completely landscaped. However, planned natural areas will be allowed provided that the lawn and the natural area form a cohesive whole.

(h) Driveways shall coordinate with topography and existing vegetation to preserve all trees greater than six inches in diameter at breast height. "Straight-in" driveways should be avoided.

(i) Each lot owner must submit a landscaping plan and must completely install such plan within ninety days of occupying the residence. Additionally, each lot owner must maintain his lawn in as good or better condition than his original landscaping plan. It is not the intention of the Architectural Control Committee to monitor every planting in Laurenwood Preserve, but if a lawn, at the sole discretion of the Architectural Control Committee, has deteriorated and/or was never installed properly, and then the lot owner will be required to bring his lot into compliance with the guidelines.

(j) Each Owner must maintain the Lot and keep it free of weeds and debris, even before construction begins. In the event the Lot becomes, in the sole discretion of either the Declarant or the Board, distracting or unattractive due to the growth of weeds, grass, or other vegetation, after 5 days notice to the Owner, either the Declarant or the Board may pay to have the Lot mowed or take other necessary action. A lien may then be filed against the Lot in the same manner as for delinquent dues to the Association.

**Section 32. Screening of Heating and Cooling Units.** All exterior heat and air conditioning compressors or air handlers must be screened from view. This can be accomplished with vegetation, brick and/or stone. If vegetation is used it must create a walled off effect. The screening is encouraged on all sides of the equipment but is required on the front and side of the equipment.

**Section 33. Storage Tanks.** Any storage tank must be approved by the Architectural Control Committee and, if approved, must be buried, or, if they are less than fifty-gallon capacity, may, with the Architectural Control Committee's approval, be installed above ground, if properly screened.

**Section 34. Corner Lots.** All corner lots shall be built either caddie-corner to both streets or, in the case that the residence is built parallel to one of the streets, the garage must face the interior lot so that no garage will face any street at a ninety-degree angle.

**Section 35. Basketball Goals.** No basketball goals may be erected or constructed on the front of any lot. Only Architectural Control Committee approved basketball goals may be erected or constructed.

**Section 36. Dwelling Restrictions.** The following dwelling restrictions shall apply to all Lots located in Phase I of Laurenwood Preserve (hereinafter "Phase I"):

- (a) All dwellings and permitted accessory buildings constructed on the lots in Phase I shall have an exterior of at least ninety-five percent (95%) stone or masonry brick construction, with no less than ninety-five percent (95%) of the exterior of the sides of the dwellings or buildings consisting of stone or masonry brick. Visible unpainted red "sewer brick" will not be allowed.
- (b) All dwellings shall have at least a two (2) car garage. Front entry garages will be permitted.
- (c) All one story dwellings shall have at least 1,900 square feet of heated living area. All two story dwellings shall have at least 2100 square feet of heated living area.
- (d) Roofs of dwellings constructed on all of said lots shall be of architectural grade shingles and be the color "weatherwood".
- (e) All dwellings shall have a roof pitch of 8/12 or greater.

The following dwelling restrictions shall apply to all Lots located in all additional Phases of Laurenwood Preserve:

- (a) All dwellings and permitted accessory buildings constructed on the lots in all additional Phases of Laurenwood Preserve shall have an exterior of at least seventy-five percent (75%) stone or masonry brick and no more than twenty-five percent (25%) vinyl construction. Visible unpainted red "sewer brick" will not be allowed.
- (b) All dwellings shall have at least a two (2) car garage. Front entry garages will be permitted.
- (c) All one story dwellings shall have at least 1,700 square feet of heated living area. All two story dwellings shall have at least 2,100 square feet of heated living area.
- (d) Roofs of dwellings constructed on all of said lots shall be of architectural grade shingles and be the color "weatherwood".
- (e) All dwellings shall have a roof pitch of 7/12 or greater."

6. Article IX of the Declaration is hereby amended to read in its entirety as follows:

"ARTICLE IX  
Annexation of Additional Property

Section 1. Unilateral Annexation by Declarant. Declarant shall have the unilateral right, privilege, and option from time to time at any time until ten (10) years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit "C", attached hereto and by reference made a part hereof, and as it may be amended from time to time, to the provisions of this Declaration, the By-laws of the Association, and the Articles of Incorporation of the association, and the jurisdiction of the Association by filing for record a Supplementary Declaration in respect to the property being annexed. If Declarant is not the owner of the land being subjected to the Declaration, such Supplementary Declaration shall not be valid unless consented to by the owner of the land being added to the Declaration. Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein. The rights reserved unto Declarant to subject additional land to the Declaration shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such additional land to this Declaration or to the jurisdiction of the Association. Any such lands being subjected to the Declaration shall be subject to all the terms and conditions of the Declaration, the By-laws of the Association and the Articles of Incorporation of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

Section 2. Exhibit "C": Real Property Amendment. Subject to the consent of the owner or owners of additional land and, so long as the Declarant has the right to subject additional real property as described in Exhibit "C" (as it may be amended from time to time as herein provided) to this Declaration as provided above, with the consent of the Declarant, upon the affirmative vote of at least a majority of the Board of the association, in person or by proxy, at a meeting duly called for such purpose, the Board may amend Exhibit "C" real property to include such additional real Property. Any such Supplementary Declaration shall be signed by the President and Secretary of the Association and the owners of the additional land and any such annexation amendment shall be effective upon the filing for record of such Supplementary Declaration, unless otherwise provided therein."

7. Article XII, Section 4 of the Declaration is hereby amended to read in its entirety as follows:

““The Declarant and assignee of Declarant, or any subsequent Declarant, does not have a unilateral right to amend the Declaration, the By-Laws or the Articles of Incorporation, subject to an exception, which is specified below in this Section.

Amendments must be reasonable and must benefit all owners and occupants.

Any Amendment must be initiated by a majority vote of the Board of Directors approving a Resolution of Amendment (to any of the HOA entity documents, Declaration, By-Laws, Articles of Incorporation). The Resolution shall succinctly set forth the reason and purpose of the Proposed Amendment.

Notice, either actual or constructive, must be given by providing a copy of the Resolution to the Declarant, all builders who are owners or constructing homes in the community, and all members of the HOA. Notice can be perfected by regular mail, electronic mail, or actual delivery. No action to adopt or reject an Amendment can take place until all parties mentioned above have had delivery of the Resolution for at least a minimum of fourteen (14) days notice.

Subject to the exception specified below, a Proposed Amendment will be adopted by the affirmative vote or written consent, or a combination thereof, of a minimum of two-thirds (2/3rd) vote of the total Association entitled and eligible to vote. The vote may take place, after notice, at any special or regular membership meeting; or without a meeting if there is obtained written consents of the required two-thirds (2/3rd) of the eligible votes of the Association. Notwithstanding the foregoing, any amendments to Article VI of the Declaration must have the consent of any active builder who owns lots within the Subdivision.

To all the above there is an exception or exceptions. The Board, the Declarant, or the Board and an active builder in the subdivision may unilaterally amend the Declaration, provided a specific Amendment is necessary to (a) comply with any governmental statute, rule, regulation or judicial Order which is inconsistent or conflicts with the existing Declaration; (b) to enable a reputable title insurance company to issue title insurance; (c) if an Amendment is required by a governmental underwriter of loans; or (d) if an Amendment is required by an insurer of mortgage loans, but provided, any such unilateral Amendments shall not adversely affect the title to any Owner's property unless the consent of said Owner, in writing, is obtained.

Any Amendment or Amendments to this Declaration shall become effective upon public recordation, unless a later effective date is specified in the Resolution and the vote thereon. Amendments to the Articles of Incorporation cannot be effective unless said Amendments comply with the Alabama Non-Profit Corporation Act. Amendments to the By-Laws shall become effective upon the date of the affirmative vote or the written consent, or any combination thereof, reaching a total of two-thirds (2/3rd) of the total vote of the Association entitled and eligible to vote.

Any challenge to an Amendment, whether a procedural challenge or a challenge that the Amendment is unreasonable, must be made within six (6) months of adoption or effectiveness. In no event shall a change of conditions or circumstances operate to amend this Declaration or the By-Laws."

8. Article XII, Section 20 is hereby deleted in its entirety.
